

It is a pleasure working with you and your associates on this project and we look forward to a continuing mutually beneficial relationship with IPSC during execution of the remainder of the contract. We will work on completing the few outstanding items on drive units 1C & 1D within the next 30 days.

Sincerely,

A handwritten signature in black ink, appearing to read "Stephen P. Klein". The signature is fluid and cursive, with a long horizontal stroke at the end.

Stephen P. Klein
